

Wayne Public Schools' Kindergarten Milk Program 2017-18

Dear Parents/ Guardians of Kindergarten Students:

Kindergarten Milk money for September 2017 can be given in the first day of the week of school which is September 7, 2017. The National School Lunch Program offers the subsidized milk to all half day kindergartners. The cost of the milk for this September is \$5.25, which is fifteen days at \$.35 per day. Days of milk service are the same as the number of school days each month. You should send monthly payments at the beginning of every month from October through June. The **Kindergarten Milk Program** is part of the National School Lunch Program, which subsidizes the cost of the milk for the students.

When sending milk payments(daily, weekly or monthly), please label the envelope **KINDERGARTEN MILK PROGRAM** with your child's name, AM/ PM, type of milk and student ID number. The variety of milk we offer is Fat Free Chocolate, Skim and 1% Milk choices. The payment is in cash or check and placed in the envelope. Checks are deposited into each student's foodservice account to draw down with each purchase. Send the envelope to the main office of your child's elementary school in the Food Service mailbox. Please make checks payable to, **Wayne Public Schools Foodservice Fund**.

We have an **online payment option** that is done through each student's foodservice account by using their foodservice id number. Please refer to the MCS Parent Letter for information to set up an account and details on the service. Online payments are deposited directly into each student's foodservice account to purchase each day wanted. Complete and send in the bottom tear off section or write a note with the day(s) you would like milk for your child(ren).

Any kindergarten student that receives a Free Lunch determination is entitled to free milk. Please send the same information as listed above and include a note saying your child gets free milk. This information is confidential and will not be shared.

Thank you for giving us the opportunity to serve you. Please contact the foodservice office at 973-317-2239 with any questions.

Best Regards,
